

Nothing Else Matters – Metallica

So close, no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
And nothing else matters

Never opened myself this way  
Life is ours, we live it our way  
All these words, I don't just say  
And nothing else matters

Trust I seek and I find in you  
Every day for us something new  
Open mind for a different view  
And nothing else matters

Never cared for what they do  
Never cared for what they know  
But I know

So close, no matter how far  
It couldn't be much more from the heart  
Forever trusting who we are  
And nothing else matters

Never cared for what they do  
Never cared for what they know  
But I know

I never opened myself this way  
Life is ours, we live it our way  
All these words, I don't just say  
And nothing else matters

Trust I seek and I find in you  
Every day for us something new  
Open mind for a different view  
And nothing else matters

Never cared for what they say  
Never cared for games they play  
Never cared for what they do  
Never cared for what they know  
And I know, yeah-yeah

So close, no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
No, nothing else matters

Angie - The Rolling Stones

Angie, when will those clouds all disappear?  
Angie, Angie  
Where will it lead us from here?  
With no loving in our souls  
And no money in our coats  
You can't say we're satisfied  
But Angie, Angie  
Ain't it time we said goodbye?  
Angie, you're beautiful, yes  
But ain't it time we said goodbye?

I still love you  
Remember all those nights we cried?  
All the dreams we held so close  
Seemed to all go up in smoke  
Let me whisper in your ear  
Angie, Angie  
Where will it lead us from here?  
Whoa, Angie, don't you weep  
All your kisses taste sweet  
I hate that sadness in your eyes  
Angie, Angie  
Ain't it time we said goodbye?  
With no loving in our souls  
And no money in our coats  
You can't say we're satisfied  
But Angie, I still love you, baby  
Everywhere I look, I see your eyes  
There ain't a woman that come close to you  
Come on, babe, dry your eyes

But Angie, Angie  
Ain't it good to be alive?  
Angie, Angie  
You can't say we never tried  
Bless you  
Thank you, thank you very much

Lady in Black - Uriah Heep

She came to me one morning, one rainy Sunday morning  
Her long hair flowing in the mid-winter wind  
And I know not how she found me, for in darkness I was walking  
And destruction lie around me from a fight I could not win, come on

Ah-ah-ah, ah-ah-ah-ah  
Ah-ah-ah, ah-ah-ah  
Ah-ah-ah, ah-ah-ah-ah  
Ah-ah-ah, ah-ah-ah

She asked me name my foe then, I said the need within some men  
To fight and kill their brothers without thought of love or god  
And I begged her give me horses to trample down my enemies  
So eager was my passion to devour this waste of life, come on

Ah-ah-ah, ah-ah-ah-ah  
Ah-ah-ah, ah-ah-ah  
Ah-ah-ah, ah-ah-ah-ah  
Ah-ah-ah, ah-ah-ah

But she would not think of battles that reduces men to animals  
So easy to begin, yet impossible to end  
For she's the mother of all men did council me so wisely then  
I feared to walk alone again and asked if she would stay, come on

Ah-ah-ah, ah-ah-ah-ah  
Ah-ah-ah, ah-ah-ah (oh, yeah-yeah)  
Ah-ah-ah, ah-ah-ah-ah  
Ah-ah-ah, ah-ah-ah

Oh lady, lend your hand out righ, let me rest here at your side  
"Have faith and trust in me," she said and filled my heart with life  
"There is no strength in numbers, have no such misconception  
But when you need me be assured, I won't be far away"

Ah-ah-ah, ah-ah-ah-ah  
Ah-ah-ah, ah-ah-ah (just a little, just a little bit more)  
Ah-ah-ah, ah-ah-ah-ah  
Ah-ah-ah, ah-ah-ah

Thus having spoke, she turned away, though I found no words to say  
I stood and watched until I saw that black cloak disappear  
My labor is no easier, now I know I'm not alone  
I find new heart each time I think upon that windy day  
And if one day she comes to you, drink deeply from her words so wise  
Take courage from her as your prize, and say hello for me

Ah-ah-ah, ah-ah-ah-ah  
Ah-ah-ah, ah-ah-ah (oh, yeah-yeah)  
Ah-ah-ah, ah-ah-ah-ah  
Ah-ah-ah, ah-ah-ah (yeah, yeah-yeah)

Ah-ah-ah, ah-ah-ah-ah  
Ah-ah-ah, ah-ah-ah  
Ah-ah-ah, ah-ah-ah-ah  
Ah-ah-ah, ah-ah-ah (come on, boys, yeah)

(Ah-ah-ah, ah-ah-ah-ah) come on  
(Ah-ah-ah, ah-ah-ah) just a little, little more now  
(Ah-ah-ah, ah-ah-ah-ah)  
(Ah-ah-ah, ah-ah-ah) oh, yeah-yeah

(Ah-ah-ah, ah-ah-ah-ah)  
(Ah-ah-ah, ah-ah-ah) ooh, yeah-yeah  
(Ah-ah-ah, ah-ah-ah-ah)  
(Ah-ah-ah, ah-ah-ah)

Ah-ah-ah, ah-ah-ah-ah  
Ah-ah-ah, ah-ah-ah  
Ah-ah-ah, ah-ah-ah-ah  
Ah-ah-ah, ah-ah-ah

Ah-ah-ah, ah-ah-ah-ah  
Ah-ah-ah, ah-ah-ah (yeah)  
Ah-ah-ah, ah-ah-ah-ah  
Yeah-yeah, whoa-whoa  
Yeah (yeah-yeah, yeah-yeah)

Alright  
Thank you very, very much indeed  
It's been a great weekend  
Well see you again soon, bye-bye

Tears in Heaven - Eric Clapton

Would you know my name  
If I saw you in heaven?  
Would it be the same  
If I saw you in heaven?

I must be strong  
And carry on  
'Cause I know I don't belong  
Here in heaven

Would you hold my hand  
If I saw you in heaven?  
Would you help me stand  
If I saw you in heaven?

I'll find my way  
Through night and day  
'Cause I know I just can't stay  
Here in heaven

Time can bring you down  
Time can bend your knees  
Time can break your heart  
Have you begging please  
Begging please

Beyond the door  
There's peace, I'm sure  
And I know there'll be no more  
Tears in heaven

Would you know my name  
If I saw you in heaven?  
Would you be the same  
If I saw you in heaven?

I must be strong  
And carry on  
'Cause I know I don't belong  
Here in heaven

I Will Always Love You - Whitney Houston

I'd like to do a song  
That I've never sung before  
You know, when I first heard this song  
It made me feel very sad, but it doesn't anymore  
Now it just reminds me of someone very special  
This is for him

If I should stay  
I would only be in your way  
So I'll go but I know  
I'll think of you every step of the way

And I will always love you, ooh  
I will always love you  
You, my darling, you

Bittersweet memories  
That is all I'm taking with me  
So goodbye  
Please, don't cry  
We both know I'm not what you, you need

And I will always love you  
I will always love you, you

I hope life treats you kind  
And I hope you have all you've dreamed of  
And I wish you joy and happiness  
But above all this, I wish you love

And I will always love you  
I will always love you  
I will always love you  
I will always love you  
I will always love you  
I, I will always love you

You  
Darling, I love you  
I'll always  
I'll always love you-ooh-ooh

Wind of Change – Scorpions

I follow the Moskva  
And down to Gorky Park  
Listening to the wind of change

An August summer night  
Soldiers passing by  
Listening to the wind of change

The world is closing in  
And did you ever think  
That we could be so close, like brothers

The future's in the air  
I can feel it everywhere  
Blowing with the wind of change

Take me to the magic of the moment  
On a glory night  
Where the children of tomorrow dream away  
In the wind of change

Walking down the street  
And distant memories  
Are buried in the past forever

I follow the Moskva  
And down to Gorky Park  
Listening to the wind of change

Take me to the magic of the moment  
On a glory night  
Where the children of tomorrow share their dreams  
With you and me

Take me to the magic of the moment  
On a glory night  
Where the children of tomorrow dream away  
In the wind of change

The wind of change blows straight  
Into the face of time  
Like a storm wind that will ring  
The freedom bell for peace of mind  
Let your balalaika sing  
What my guitar wants to say

Take me to the magic of the moment  
On a glory night  
Where the children of tomorrow share their dreams  
With you and me

Take me to the magic of the moment  
On a glory night  
Where the children of tomorrow dream away  
In the wind of change

Hallelujah - Leonard Cohen

Now I've heard there was a secret chord  
That David played, and it pleased the Lord  
But you don't really care for music, do you?  
It goes like this, the fourth, the fifth  
The minor falls, the major lifts  
The baffled king composing Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew you  
She tied you to a kitchen chair  
She broke your throne, and she cut your hair  
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

You say I took the name in vain  
I don't even know the name  
But if I did, well, really, what's it to you?  
There's a blaze of light in every word  
It doesn't matter which you heard  
The holy or the broken Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

I did my best, it wasn't much  
I couldn't feel, so I tried to touch  
I've told the truth, I didn't come to fool you  
And even though it all went wrong  
I'll stand before the Lord of Song  
With nothing on my tongue but Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Still Got the Blues - Gary Moore

Used to be so easy to give my heart away  
But I found out that the hard way  
There's a price you have to pay  
I found out that love was no friend of mine  
I should've known time after time

So long  
It was so long ago  
But I've still got the blues for you

Used to be so easy to fall in love again  
But I found out that the hard way  
It's a road that leads to pain  
I found that love was more than just a game  
You're playin' to win, but you lose just the same

So long  
It was so long ago  
But I've still got the blues for you

So many years since I've seen your face  
But here in my heart, there's an empty space  
Where you used to be

So long  
It was so long ago  
But I still got the blues for you

Though the days come and go  
There is one thing I know  
I've still got the blues for you

Forever Young – Alphaville

Let's dance in style, let's dance for awhile  
Heaven can wait, we're only watching the skies  
Hoping for the best but expecting the worst  
Are you going to drop the bomb or not?

Let us die young or let us live forever  
We don't have the power, but we never say never  
Sitting in a sandpit, life is a short trip  
The music's for the sad men

Can you imagine when this race is won?  
Turn our golden faces into the sun  
Praising our leaders, we're getting in tune  
The music's played by the, the madmen

Forever young, I want to be forever young  
Do you really want to live forever, forever and ever?  
Forever young, I want to be forever young  
Do you really want to live forever? Forever young

Some are like water, some are like the heat  
Some are a melody and some are the beat  
Sooner or later they all will be gone  
Why don't they stay young?

It's so hard to get old without a cause  
I don't want to perish like a fleeing horse  
Youth's like diamonds in the sun  
And diamonds are forever

So many adventures couldn't happen today  
So many songs we forgot to play  
So many dreams swinging out of the blue  
We let them come true

Forever young, I want to be forever young  
Do you really want to live forever, forever and ever?  
Forever young, I want to be forever young  
Do you really want to live forever, forever and ever?

Forever young, I want to be forever young  
Do you really want to live forever?

Listen to Your Heart – Roxette

So, now we're gonna hear you sing, right?

I know there's something in the wake of your smile  
I get a notion from the look in your eyes, yeah  
You've built a love, but that love falls apart  
Your little piece of heaven turns to dark

Listen to your heart when he's calling for you  
Listen to your heart, there's nothing else you can do  
I don't know where you're going, and I don't know why  
But listen to your heart before you tell him goodbye

Sometimes you wonder if this fight is worthwhile  
The precious moments are all lost in the tide, yeah  
And they're swept away, and nothing is what it seems  
The feeling of belonging to your dreams

Listen to your heart when it's calling for you  
Listen to your heart, there's nothing else you can do  
I don't know where you're going, and I don't know why  
But listen to your heart before you tell him goodbye

And there are voices that want to be heard  
So much to mention, but you can't find the words  
The scent of magic, the beauty that's been (the beauty that's been)  
When love was wilder than the wind, oh

Listen to your heart when he's calling for you  
Listen to your heart, there's nothing else you can do  
I don't know where you're going, and I don't know why  
But listen to your heart, before

Listen to your heart when he's calling for you  
Listen to your heart, there's nothing else you can do  
I don't know where you're going, and I don't know why  
Listen to your heart before

You tell him goodbye  
Goodbye  
Before you tell him goodbye  
Baby, listen, hmm

Oh (listen to your heart), take a listen to it  
Oh-oh (listen to your heart)  
Take, take, take a listen to it (listen to your heart)  
Yeah-yeah-yeah (listen to your heart)

(Listen to your heart) whoa-oh, oh-oh  
(Listen to your heart) oh-oh-oh, oh-oh  
(Listen to your heart) oh, yeah-yeah-yeah-yeah-yeah-yeah  
(Listen to your heart) listen to your heart

Before  
Before  
Take a listen to it  
Take a listen to it  
I wanna do that  
Take a listen to your heart, hey-yeah  
Whoo!  
Wow (alright)

The Sound of Silence - Simon & Garfunkel

Hello darkness, my old friend  
I've come to talk with you again  
Because a vision softly creeping  
Left its seeds while I was sleeping  
And the vision that was planted in my brain  
Still remains  
Within the sound of silence

In restless dreams, I walked alone  
Narrow streets of cobblestone  
'Neath the halo of a streetlamp  
I turned my collar to the cold and damp  
When my eyes were stabbed by the flash of a neon light  
That split the night  
And touched the sound of silence

And in the naked light, I saw  
Ten thousand people, maybe more  
People talking without speaking  
People hearing without listening  
People writing songs that voices never shared  
No one dared  
Disturb the sound of silence

"Fools", said I, "You do not know  
Silence like a cancer grows  
Hear my words that I might teach you  
Take my arms that I might reach you"  
But my words like silent raindrops fell  
And echoed in the wells of silence

And the people bowed and prayed  
To the neon god they made  
And the sign flashed out its warning  
In the words that it was forming  
And the sign said, "The words of the prophets are written on the subway walls  
In tenement halls"  
And whispered in the sounds of silence

Let Her Go – Passenger

Well, you only need the light when it's burning low  
Only miss the sun when it starts to snow  
Only know you love her when you let her go

Only know you've been high when you're feeling low  
Only hate the road when you're missing home  
Only know you love her when you let her go

And you let her go

Staring at the bottom of your glass  
Hoping one day you'll make a dream last  
But dreams come slow, and they go so fast

You see her when you close your eyes  
Maybe one day, you'll understand why  
Everything you touch surely dies

But you only need the light when it's burning low  
Only miss the sun when it starts to snow  
Only know you love her when you let her go  
Only know you've been high when you're feeling low  
Only hate the road when you're missing home  
Only know you love her when you let her go

Staring at the ceiling in the dark  
Same old empty feeling in your heart  
'Cause love comes slow, and it goes so fast

Well, you see her when you fall asleep  
But never to touch and never to keep  
'Cause you loved her too much, and you dived too deep

Well, you only need the light when it's burning low  
Only miss the sun when it starts to snow  
Only know you love her when you let her go  
Only know you've been high when you're feeling low  
Only hate the road when you're missing home  
Only know you love her when you let her go

And you let her go  
Oh, oh, mm, oh  
And you let her go  
Oh, oh, uh, uh  
Well, you let her go

'Cause you only need the light when it's burning low  
Only miss the sun when it starts to snow  
Only know you love her when you let her go  
Only know you've been high when you're feeling low  
Only hate the road when you're missing home  
Only know you love her when you let her go

'Cause you only need the light when it's burning low  
Only miss the sun when it starts to snow  
Only know you love her when you let her go  
Only know you've been high when you're feeling low  
Only hate the road when you're missing home  
Only know you love her when you let her go

And you let her go

Someone Like You – Adele

I heard that you're settled down  
That you found a girl and you're married now  
I heard that your dreams came true  
Guess she gave you things I didn't give to you  
Old friend, why are you so shy?  
Ain't like you to hold back or hide from the light

I hate to turn up out of the blue, uninvited  
But I couldn't stay away, I couldn't fight it  
I had hoped you'd see my face and that you'd be reminded  
That, for me, it isn't over

Never mind, I'll find someone like you  
I wish nothing but the best for you, too  
Don't forget me, I beg  
I remember you said  
Sometimes it lasts in love, but sometimes it hurts instead  
Sometimes it lasts in love, but sometimes it hurts instead

You know how the time flies  
Only yesterday was the time of our lives  
We were born and raised in a summer haze  
Bound by the surprise of our glory days

I hate to turn up out of the blue, uninvited  
But I couldn't stay away, I couldn't fight it  
I had hoped you'd see my face and that you'd be reminded  
That, for me, it isn't over

Never mind, I'll find someone like you  
I wish nothing but the best for you, too  
Don't forget me, I beg  
I remember you said  
Sometimes it lasts in love, but sometimes it hurts instead

Nothing compares, no worries or cares  
Regrets and mistakes, they're memories made  
Who would have known how bittersweet this would taste?

Never mind, I'll find someone like you  
I wish nothing but the best for you  
Don't forget me, I beg  
I remember you said  
Sometimes it lasts in love, but sometimes it hurts instead

Never mind, I'll find someone like you  
I wish nothing but the best for you, too  
Don't forget me, I beg  
I remember you said  
Sometimes it lasts in love, but sometimes it hurts instead

Sometimes it lasts in love, but sometimes it hurts instead

With or Without You – U2

See the stone set in your eyes  
See the thorn twist in your side  
I'll wait for you  
Sleight of hand and a twist of fate  
On a bed of nails, she makes me wait  
And I'm waiting for you  
With or without you  
With or without you

Through the storm, we reach the shore  
You give it all but I want more  
And I'm waiting for you  
With or without you  
With or without you

And you give yourself away  
And you give yourself away  
And you give, you give  
You give yourself away

My hands are tied  
My body's bruised, got me with  
Nothing to win and  
Nothing left to lose

And you give yourself away  
And you give yourself away  
And you give, you give  
You give yourself away

With or without you  
With or without you  
I can't live  
With or without you

With or without you  
With or without you  
I can't live  
With or without you  
With or without you

With or without you  
With or without you  
I can't live  
With or without you  
With or without you

Jeanny – Falco

Jeanny, komm, come on  
Steh auf bitte, du wirst ganz nass  
Schon spät, komm  
Wir müssen weg hier, raus aus dem Wald, verstehst du nicht?

Wo ist dein Schuh? Du hast ihn verloren  
Als ich dir den Weg zeigen musste  
Wer hat verloren?  
Du dich? Ich mich? Oder, oder wir uns?

Jeanny, quit livin' on dreams  
Jeanny, life is not what it seems  
Such a lonely little girl in a cold, cold world  
There's someone who needs you

Jeanny, quit livin' on dreams  
Jeanny, life is not what it seems  
You're lost in the night, don't wanna struggle and fight  
There's someone who needs you (oh, babe)

Es ist kalt, wir müssen weg hier, komm  
Dein Lippenstift ist verwischt  
Du hast ihn gekauft und, und ich hab es gesehen  
Zu viel Rot auf deinen Lippen und du hast gesagt: "Mach mich nicht an"

Aber du warst durchschaut, Augen sagen mehr als Worte  
Du brauchst mich doch, hm?  
Alle wissen, dass wir zusammen sind ab heute  
Jetzt hör ich sie, sie kommen, sie kommen, dich zu holen  
Sie werden dich nicht finden, niemand wird dich finden, du bist bei mir

Jeanny (Jeanny), quit livin' on dreams  
Jeanny (Jeanny), life is not what it seems  
Such a lonely little girl in a cold, cold world

Die jüngste Veröffentlichung der lokalen Polizeibehörde berichtet von einem weiteren tragischen Fall

Just know, there's someone who's gonna need you, baby

Jeanny, life is not what it seems  
You're lost in the night, don't wanna struggle and fight

Fields of Gold – Sting

You could say I lost my faith in science and progress  
You could say I lost my belief in the Holy Church  
You could say I lost my sense of direction  
And you could say all of this and worse but

If I ever lose my faith in you  
There'd be nothing left for me to do

Some would say I was a lost man in a lost world  
You could say I lost my faith in the people on TV  
You could say I lost my belief in our politicians  
They all seemed like game show hosts to me

If I ever lose my faith in you  
There'd be nothing left for me to do

I could be lost inside their lies without a trace  
But every time I close my eyes I see your face

I never saw no miracle of science  
That didn't go from a, a blessing to a curse  
Never saw no military solution  
That didn't always end up as something worse but  
Let me say this first

If I ever lose my faith in you  
If I ever lose my faith in you  
There'd be nothing left for me to do  
There'd be nothing left for me to do

If I ever lose my faith  
If I ever lose my faith  
If I ever lose my faith  
If I ever lose my faith

In you

Un-Break My Heart – Toni Braxton

Lala lala la lala  
Hah aaa aaa  
Aah aaa aaa okay

Don't leave me in all this pain  
Don't leave me out in the rain  
Come back and bring back my smile  
Come and take these tears away  
I need your arms to hold me now  
The nights are so unkind  
Bring back those nights when I held you beside me

Unbreak my heart  
Say you'll love me again  
Undo this hurt you caused  
When you walked out the door  
And walked outta my life  
Uncry these tears  
I cried so many nights  
Unbreak my heart  
My heart

Take back that sad word goodbye  
Bring back the joy to my life  
Don't leave me here with these tears  
Come and kiss this pain away  
I can't forget the day you left  
Time is so unkind  
And life is so cruel without you here beside me

Unbreak my heart  
Say you'll love me again  
Undo this hurt you caused  
When you walked out the door  
And walked outta my life  
Uncry these tears  
I cried so many nights  
Unbreak my heart  
My heart  
Heart  
Umm

Don't leave me in all this pain  
Don't leave me out in the rain  
Bring back the nights when I held you beside me

Oh  
Unbreak my heart  
Say you'll love me again  
Undo this hurt you caused  
When you walked out the door  
And walked outta my life  
Uncry these tears  
I cried so many, many nights  
Oh unbreak my

Unbreak my heart, oh baby  
Come back and say you love me  
Unbreak my heart  
Sweet darlin'  
Without you I just can't go on

Say that you love  
Say that you love  
Tell me you love  
Unbreak my heart  
(Can't go on)  
(Woh)  
Say that you love  
Say that you love  
Tell me you love  
Unbreak my  
Say that you love  
Say that you love  
Tell me you love  
Unbreak my  
Say that you love  
Say that you love  
Tell me

Always – Bon Jovi

This Romeo is bleeding  
But you can't see his blood  
It's nothing but some feelings  
That this old dog kicked up

It's been raining since you left me  
Now I'm drowning in the flood  
You see, I've always been a fighter  
But without you, I give up

I can't sing a love song  
Like the way it's meant to be  
Well, I guess I'm not that good anymore  
But baby, that's just me

And I will love you, baby, always  
And I'll be there forever and a day, always  
I'll be there 'til the stars don't shine  
'Til the heavens burst and the words don't rhyme  
And I know when I die, you'll be on my mind  
And I'll love you, always

Now your pictures that you left behind  
Are just memories of a different life  
Some that made us laugh, some that made us cry  
One that made you have to say goodbye  
What I'd give to run my fingers through your hair  
To touch your lips, to hold you near  
When you say your prayers, try to understand  
I've made mistakes, I'm just a man

When he holds you close, when he pulls you near  
When he says the words you've been needing to hear  
I wish I was him  
With these words of mine  
To say to you 'til the end of time

That I will love you baby, always  
And I'll be there forever and a day, always

If you told me to cry for you, I could  
If you told me to die for you, I would  
Take a look at my face  
There's no price I won't pay  
To say these words to you

Well, there ain't no luck  
In these loaded dice  
But baby, if you give me just one more try  
We can pack up our old dreams  
And our old lives  
We'll find a place where the sun still shines

And I will love you, baby, always  
And I'll be there forever and a day, always

I'll be there 'til the stars don't shine  
'Til the heavens burst and the words don't rhyme  
I know when I die, you'll be on my mind  
And I'll love you, always

Always, always

To Be With You – Mr. Big

Hold on, little girl  
Show me what he's done to you  
Stand up, little girl  
A broken heart can't be that bad

When it's through, it's through  
Fate will twist the both of you  
So come on, baby, come on over  
Let me be the one to show you

I'm the one who wants to be with you  
Deep inside I hope you feel it too (feel it too)  
Waited on a line of greens and blues (waited on a line)  
Just to be the next to be with you

Build up your confidence  
So you can be on top for once  
Wake up, who cares about  
Little boys that talk too much

I've seen it all go down  
Your game of love was all rained out  
So come on, baby, come on over  
Let me be the one to hold you

I'm the one who wants to be with you (I'm the one, yeah)  
Deep inside I hope you feel it too (feel it too)  
Waited on a line of greens and blues (waited on a line, yeah)  
Just to be the next to be with you

Why be alone when we can be together, baby?  
You can make my life worthwhile  
I can make you start to smile  
When it's through, it's through  
Fate will twist the both of you  
So come on, baby, come on over  
Let me be the one to show you

I'm the one who wants to be with you (I'm the one)  
Deep inside I hope you feel it too (feel it too)  
Waited on a line of greens and blues (waited on a line)  
Just to be the next to be with you

I'm the one who wants to be with you (I'm the one)  
Deep inside I hope you feel it too (deep inside, you feel it too)  
Waited on a line of greens and blues (waited on that line, yeah)  
Just to be the next to be with you  
Just to be the next to be with you  
Woo!

An Angel – The Kelly Family

I wish I had your pair of wings  
Had them last night in my dreams  
I was chasing butterflies  
'Til the sunrise broke my eyes

Tonight, the sky has glued my eyes  
'Cause what they see's an angel hive  
I've got to touch that magic sky  
And greet the angels in their hive

Sometimes I wish I were an angel  
Sometimes I wish I were you  
Sometimes I wish I were an angel  
Sometimes I wish I were you

All the sweet honey from above  
Pour it all over me sweet love  
And while you're flying around my head  
Your honey kisses keep me fed

I wish I had your pair of wings  
Just like last night, in my dreams  
I was lost in paradise  
Thought I'd never opened my eyes

Sometimes I wish I were an angel  
Sometimes I wish I were you  
Sometimes I wish I were an angel  
Sometimes I wish I were you

But there's danger in the air  
Tryin' so hard to be unfair  
There's danger's in the air  
Tryin' so hard, we're not afraid  
We're not afraid

Sometimes I wish I were an angel  
Sometimes I wish I were you  
Sometimes I wish I were an angel  
Sometimes I wish I were you  
Oh, I wish I were you  
Sometimes I wish I were an angel  
Sometimes I wish I were you

I wish were you  
Oh, I wish I were you  
Thank you

My Immortal – Evanescence

I'm so tired of being here  
Suppressed by all my childish fears  
And if you have to leave  
I wish that you would just leave  
'Cause your presence still lingers here  
And it won't leave me alone

These wounds won't seem to heal  
This pain is just too real  
There's just too much that time can not erase

When you cried, I'd wipe away all of your tears  
When you'd scream, I'd fight away all of your fears  
And I held your hand through all of these years  
But you still have all of me

You used to captivate me by your resonating light  
Now I'm bound by the life you left behind  
Your face it haunts my once pleasant dreams  
Your voice it chased away all the sanity in me  
These wounds won't seem to heal

This pain is just too real  
There's just too much that time can not erase  
When you cried, I'd wipe away all of the tears

When you'd scream, I'd fight away all of your fears  
And I held your hand through all of these years  
But you still have

I've tried so hard to tell myself that you're gone  
But though you're still with me  
I've been alone all along  
When you cried, I'd wipe away all of your tears

When you'd scream, I'd fight away all of your fears  
I held your hand through all of these years  
But you still have  
All of me  
Me  
Me

Candle in the Wind – Elton John

Goodbye Norma Jeane  
Though I never knew you at all  
You had the grace to hold yourself  
While those around you crawled  
They crawled out of the woodwork  
And they whispered into your brain  
They set you on the treadmill  
And they made you change your name

And it seems to me you lived your life  
Like a candle in the wind  
Never knowing who to cling to  
When the rain set in  
And I would've liked to know you  
But I was just a kid  
Your candle burned out long before  
Your legend ever did

Loneliness was tough  
The toughest role you ever played  
Hollywood created a superstar  
And pain was the price you paid  
Even when you died  
Oh the press still hounded you  
All the papers had to say  
Was that Marilyn was found in the nude

And it seems to me you lived your life  
Like a candle in the wind  
Never knowing who to cling to  
When the rain set in  
And I would've liked to know you  
But I was just a kid  
Your candle burned out long before  
Your legend ever did

Goodbye Norma Jeane  
Though I never knew you at all  
You had the grace to hold yourself  
While those around you crawled

Goodbye Norma Jeane  
From the young man in the twenty second row  
Who sees you as something as more than sexual  
More than just our Marilyn Monroe

And it seems to me you lived your life  
Like a candle in the wind  
Never knowing who to cling to  
When the rain set in  
And I would've liked to know you  
But I was just a kid  
Your candle burned out long before  
Your legend ever did

Your candle burned out long before  
Your legend ever did

Nothing Compares 2 U – Sinéad O'Connor

It's been seven hours and 15 days  
Since you took your love away  
I go out every night and sleep all day  
Since you took your love away

Since you been gone, I can do whatever I want  
I can see whomever I choose  
I can eat my dinner in a fancy restaurant  
But nothing, I said, nothing can take away these blues

'Cause nothing compares  
Nothing compares to you

It's been so lonely without you here  
Like a bird without a song  
Nothing can stop these lonely tears from falling  
Tell me, baby, where did I go wrong?

I could put my arms around every boy I see  
But they'd only remind me of you (oh, oh, oh)  
I went to the doctor, guess what he told me, guess what he told me  
He said, "Girl, you better try to have fun, no matter what you do"  
But he's a fool

'Cause nothing compares  
Nothing compares to you

(Oh, oh, oh)

All the flowers that you planted mama in the backyard  
All died when you went away (oh, oh, oh)  
I know that living with you, baby, was sometimes hard  
But I'm willing to give it another try

Nothing compares  
Nothing compares to you  
Nothing compares  
Nothing compares to you  
Nothing compares  
Nothing compares to you

Run – Snow Patrol

I'll sing it one last time for you  
Then we really have to go  
You've been the only thing that's right  
In all I've done

And I can barely look at you  
But every single time I do  
I know we'll make it anywhere  
Away from here

Light up, light up  
As if you have a choice  
Even if you cannot hear my voice  
I'll be right beside you dear

Louder, louder  
And we'll run for our lives  
I can hardly speak I understand  
Why you can't raise your voice to say

To think I might not see those eyes  
Makes it so hard not to cry  
And as we say our long goodbyes  
I nearly do

Light up, light up  
As if you have a choice  
Even if you cannot hear my voice  
I'll be right beside you, dear

Louder, louder  
And we'll run for our lives  
I can hardly speak I understand  
Why you can't raise your voice to say?

Slower, slower  
We don't have time for that  
All I want is to find an easier way  
To get out of our little heads

Have heart, my dear  
We're bound to be afraid  
Even if it's just for a few days  
Making up for all this mess

Light up, light up  
As if you have a choice  
Even if you cannot hear my voice  
I'll be right beside you dear

All of Me – John Legend

What would I do without your smart mouth?  
Drawing me in, and you kicking me out  
You've got my head spinning, no kidding  
I can't pin you down

What's going on in that beautiful mind?  
I'm on your magical mystery ride  
And I'm so dizzy, don't know what hit me  
But I'll be alright

My head's underwater  
But I'm breathing fine  
You're crazy and I'm out of my mind

'Cause all of me loves all of you  
Love your curves and all your edges  
All your perfect imperfections  
Give your all to me, I'll give my all to you  
You're my end and my beginning  
Even when I lose, I'm winning

'Cause I give you all of me  
And you give me all of you, oh-oh

How many times do I have to tell you  
Even when you're crying, you're beautiful too?  
The world is beating you down  
I'm around through every mood

You're my downfall, you're my muse  
My worst distraction, my rhythm and blues  
I can't stop singing  
It's ringing in my head for you

My head's underwater  
But I'm breathing fine  
You're crazy, and I'm out of my mind

'Cause all of me loves all of you  
Love your curves and all your edges  
All your perfect imperfections  
Give your all to me, I'll give my all to you  
You're my end and my beginning  
Even when I lose, I'm winning

'Cause I give you all of me  
And you give me all of you, oh-oh

Give me all of you  
Cards on the table, we're both showing hearts  
Risking it all, though it's hard

'Cause all of me loves all of you  
Love your curves and all your edges  
All your perfect imperfections  
Give your all to me, I'll give my all to you  
You're my end and my beginning  
Even when I lose, I'm winning

'Cause I give you all of me  
And you give me all of you

I give you all of me  
And you give me all of you, oh-oh

Hello – Adele

Hello, it's me  
I was wondering if after all these years you'd like to meet  
To go over everything  
They say that time's supposed to heal ya, but I ain't done much healing

Hello, can you hear me?  
I'm in California dreaming about who we used to be  
When we were younger and free  
I've forgotten how it felt before the world fell at our feet

There's such a difference between us  
And a million miles

Hello from the other side  
I must've called a thousand times  
To tell you I'm sorry for everything that I've done  
But when I call, you never seem to be home

Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry for breaking your heart  
But it don't matter, it clearly doesn't tear you apart anymore

Hello, how are you?  
It's so typical of me to talk about myself, I'm sorry  
I hope that you're well  
Did you ever make it out of that town where nothing ever happened?

It's no secret that the both of us  
Are running out of time

So hello from the other side (other side)  
I must've called a thousand times (thousand times)  
To tell you I'm sorry for everything that I've done  
But when I call, you never seem to be home

Hello from the outside (outside)  
At least I can say that I've tried (I've tried)  
To tell you I'm sorry for breaking your heart  
But it don't matter, it clearly doesn't tear you apart anymore

(Highs, highs, highs, highs)  
Ooh (lows, lows, lows, lows), anymore  
(Highs, highs, highs, highs)  
Ooh (lows, lows, lows, lows), anymore  
(Highs, highs, highs, highs)  
Ooh (lows, lows, lows, lows), anymore  
(Highs, highs, highs, highs)  
Anymore (lows, lows, lows, lows)

Hello from the other side (other side)  
I must've called a thousand times (thousand times)  
To tell you I'm sorry for everything that I've done  
But when I call, you never seem to be home

Hello from the outside (outside)  
At least I can say that I've tried (I've tried)  
To tell you I'm sorry for breaking your heart

But it don't matter, it clearly doesn't tear you apart anymore

Because of You – Kelly Clarkson

Ooh, ooh  
Ooh

I will not make the same mistakes that you did  
I will not let myself cause my heart so much misery  
I will not break the way you did, you fell so hard  
I've learned the hard way to never let it get that far

Because of you, I never stray too far from the sidewalk  
Because of you, I learned to play on the safe side, so I don't get hurt  
Because of you, I find it hard to trust not only me, but everyone around me  
Because of you, I am afraid

I lose my way, and it's not too long before you point it out  
I cannot cry, because I know that's weakness in your eyes  
I'm forced to fake a smile, a laugh, every day of my life  
My heart can't possibly break when it wasn't even whole to start with

Because of you, I never stray too far from the sidewalk  
Because of you, I learned to play on the safe side, so I don't get hurt  
Because of you, I find it hard to trust not only me, but everyone around me  
Because of you, I am afraid

I watched you die, I heard you cry (I watched you die)  
Every night in your sleep (in your sleep)  
I was so young, you should have known (I was too young)  
Better than to lean on me (for you to lean on me)  
You never thought of anyone else  
You just saw your pain (you never saw me)  
And now I cry in the middle of the night  
For the same damn thing

Because of you, I never stray too far from the sidewalk  
Because of you, I learned to play on the safe side, so I don't get hurt  
Because of you, I try my hardest just to forget everything  
Because of you, I don't know how to let anyone else in  
Because of you, I'm ashamed of my life, because it's empty  
Because of you, I am afraid

Because of you, oh, oh  
Because of you, ooh, ooh

Drive – Incubus

Sometimes, I feel the fear of uncertainty stinging clear  
And I, I can't help but ask myself how much I'll let the fear take the wheel and steer

It's driven me before, and it seems to have a vague  
Haunting mass appeal  
But lately, I'm beginning to find that I  
Should be the one behind the wheel

Whatever tomorrow brings, I'll be there  
With open arms and open eyes, yeah  
Whatever tomorrow brings, I'll be there  
I'll be there, yeah

So if I decide to waiver my chance to be one of the hive  
Would I choose water over wine and hold my own and drive?  
Oh, oh-oh

It's driven me before, and it seems to be the way  
That everyone else gets around  
But lately, I'm beginning to find that  
When I drive myself, my light is found

Whatever tomorrow brings, I'll be there  
With open arms and open eyes, yeah  
Whatever tomorrow brings, I'll be there  
I'll be there, yeah-yeah

Would you choose water over wine  
Hold the wheel then drive?  
(Hold the) wheel and drive  
Wheel and drive  
(Hold the) wheel and drive  
Wheel and drive  
(Hold the) wheel and drive

Whatever tomorrow brings, I'll be there  
With open arms and open eyes, yeah  
Whatever tomorrow brings, I'll be there  
I'll be there, yeah

Oh, oh, whoa, whoa  
Oh, whoa

Thank you  
(Yeah, Mikey!)  
Thank you

In the Air Tonight – Phil Collins

I can feel it coming in the air tonight, oh Lord  
And I've been waiting for this moment for all my life, oh Lord  
Can you feel it coming in the air tonight? Oh Lord, oh Lord

Well, if you told me you were drowning  
I would not lend a hand  
I've seen your face before, my friend  
But I don't know if you know who I am  
Well, I was there and I saw what You did  
I saw it with my own two eyes  
So you can wipe off that grin, I know where you've been  
It's all been a pack of lies

I can feel it coming in the air tonight, oh Lord  
Well, I've been waiting for this moment for all my life, oh Lord  
I can feel it coming in the air tonight, oh Lord  
And I've been waiting for this moment for all my life, oh Lord, oh Lord

I can feel it coming in the air tonight  
I can feel it coming in the air tonight, oh Lord

Well, I remember, I remember, don't worry  
How could I ever forget?  
It's the first time  
The last time we ever met  
But I know the reason why you keep your silence up  
No, you don't fool me  
Well, the hurt doesn't show, but the pain still grows  
It's no stranger to you and me

I can feel it coming in the air tonight, oh Lord  
Well, I've been waiting for this moment for all my life, oh Lord  
I can feel it coming in the air tonight, oh Lord  
Well, I've been waiting for this moment for all my life, oh Lord  
Oh Lord

I can feel it coming in the air tonight, oh Lord  
Well, I've been waiting for this moment for all my life, oh Lord  
I can feel it coming in the air tonight, oh Lord  
Well, I've been waiting for this moment for all my life, oh Lord  
I can feel it coming in the air tonight, oh Lord  
Well, I've been waiting for this moment for all my life, oh Lord

Everything I Do (I Do It for You) – Bryan Adams

Look into my eyes  
And you will see, what you mean to me  
Search your heart, search your soul  
And when you find me there, you'll search no more

Don't tell me it's not worth trying for  
You can't tell me it's not worth dying for  
You know it's true  
Everything I do, I do it for you

Look into your heart, and you will find  
There's nothing there to hide  
Just take me as I am, take my life  
I would give it all, I would sacrifice

Don't tell me it's not worth fighting for  
I can't help it, there's nothing I want more  
You know it's true  
Everything I do, I do it for you

There's no love, like your love  
And no other, could give more love  
There's nowhere, unless you're there  
All the time, all the way

Look into your heart, babe

Oh, you can't tell me it's not worth trying for  
I-I can't help it, there's nothing I want more  
Yeah, I'd fight for you, I'd lie for you  
Walk the wire for you, yeah, I'd die for you

You know it's true  
Everything I do  
Oh (I do it for you)  
I do it for you

We will see it through  
We will see it through  
Yeah  
Search your heart  
Search your soul  
You can't tell me it's not worth dying for  
I'll be there  
Oh-oh-oh  
I'ma walk for ya, baby  
Yeah, just for ya  
Oh, yeah

We're going all the way, all the way

All the time, all the way  
Yeah

I do it for you

When I Was Your Man – Bruno Mars

Same bed but it feels just a little bit bigger now  
Our song on the radio but it don't sound the same  
When our friends talk about you all it does is just tear me down  
'Cause my heart breaks a little when I hear your name

It all just sounds like ooh-ooh, ooh-ooh  
Mmm, too young, too dumb to realize

That I should've bought you flowers  
And held your hand  
Should've gave you all my hours  
When I had the chance  
Take you to every party  
'Cause all you wanted to do was dance  
Now my baby's dancing  
But she's dancing with another man

My pride, my ego, my needs, and my selfish ways  
Caused a good strong woman like you  
To walk out my life  
Now I never, never get to clean up the mess I made, oh  
And it haunts me every time I close my eyes

It all just sounds like ooh-ooh, ooh-ooh  
Mmm, too young, too dumb to realize

That I should've bought you flowers  
And held your hand  
Should've gave you all my hours  
When I had the chance  
Take you to every party  
'Cause all you wanted to do was dance  
Now my baby's dancing  
But she's dancing with another man

Although it hurts  
I'll be the first to say that I was wrong  
Oh, I know I'm probably much too late  
To try and apologize for my mistakes  
But I just want you to know

I hope he buys you flowers  
I hope he holds your hand  
Give you all his hours  
When he has the chance  
Take you to every party  
'Cause I remember how much you loved to dance  
Do all the things I should have done  
When I was your man

Do all the things I should have done  
When I was your man

The Rose – Bette Midler

Some say love, it is a river  
That drowns the tender reed  
Some say love, it is a razor  
That leaves your soul to bleed

Some say love, it is a hunger  
An endless aching need  
I say love, it is a flower  
And you, its only seed

It's the heart afraid of breaking  
That never learns to dance  
It's the dream afraid of waking  
That never takes the chance

It's the one who won't be taking  
Who cannot seem to give  
And the soul, afraid of dying  
That never learns to live

When the night has been too lonely  
And the road has been too long  
And you think that love is only  
For the lucky and the strong

Just remember in the winter  
Far beneath the bitter snows  
Lies the seed that with the sun's love  
In the spring becomes the rose

If I Ain't Got You – Alicia Keys

Mmm, mmm, mmm, yeah

Some people live for the fortune  
Some people live just for the fame  
Some people live for the power, yeah  
Some people live just to play the game

Some people think  
That the physical things  
Define what's within  
And I've been there before  
That life's a bore  
So full of the superficial

Some people want it all  
But I don't want nothing at all  
If it ain't you, baby  
If I ain't got you, baby

Some people want diamond rings  
Some just want everything  
But everything means nothing  
If I ain't got you, yeah

Some people search for a fountain  
Promises forever young  
Some people need three dozen roses  
And that's the only way to prove you love them

Hand me the world  
On a silver platter  
And what good would it be?  
With no one to share  
With no one who truly cares for me?

Some people want it all  
But I don't want nothing at all  
If it ain't you, baby  
If I ain't got you, baby

Some people want diamond rings  
Some just want everything  
But everything means nothing  
If I ain't got you, you, you

Some people want it all  
But I don't want nothing at all  
If it ain't you, baby  
If I ain't got you, baby

Some people want diamond rings  
Some just want everything  
But everything means nothing  
If I ain't got you, yeah

If I ain't got you with me, baby  
Oh, whoo-oo  
Said nothing in this whole wide world don't mean a thing  
If I ain't got you with me, baby

Bleeding Love – Leona Lewis

You cut me open and i  
Keep bleeding, keep, keep bleeding love  
You cut me open and i  
Keep bleeding, keep, keep bleeding love  
I keep bleeding, i keep, keep bleeding love  
Keep bleeding, keep keep bleeding love

Closed off from love, I didn't need the pain  
Once or twice was enough and it was all in vain  
Time starts to pass, before you know it you're frozen  
But something happened for the very first time with you  
My heart melted to the ground, found something true  
And everyone's looking 'round, thinking I'm going crazy

But I don't care what they say, I'm in love with you  
They try to pull me away, but they don't know the truth  
My heart's crippled by the vein that I keep on closing  
You cut me open and I

Keep bleeding, keep, keep bleeding love  
I keep bleeding, I keep, keep bleeding love  
Keep bleeding, keep, keep bleeding love

x

Trying hard not to hear, but they talk so loud  
Their piercing sounds fill my ears, try to fill me with doubt  
Yet I know that their goal is to keep me from falling  
But nothing's greater than the risk that comes with your embrace  
And in this world of loneliness, I see your face  
Yet everyone around me thinks that I'm going crazy  
Maybe, maybe

But I don't care what they say, I'm in love with you  
They try to pull me away, but they don't know the truth  
My heart's crippled by the vein that I keep on closing  
You cut me open and I

Keep bleeding, keep, keep bleeding love  
I keep bleeding, I keep, keep bleeding love  
Keep bleeding, keep, keep bleeding love  
You cut me open

And it's draining all of me  
Though they find it hard to believe  
I'll be wearing these scars for everyone to see

I don't care what they say, I'm in love with you  
They try to pull me away, but they don't know the truth  
My heart's crippled by the vein that I keep on closing  
Oh, you cut me open and I

Keep bleeding, keep, keep bleeding love  
I keep bleeding, I keep, keep bleeding love  
Keep bleeding, keep, keep bleeding love  
Oh, you cut me open and I

Keep bleeding, keep, keep bleeding love  
I keep bleeding, I keep, keep bleeding love  
Keep bleeding, keep, keep bleeding love

You Are Not Alone – Michael Jackson

Another day has gone  
I'm still all alone  
How could this be?  
You're not here with me  
You never said goodbye  
Someone tell me why  
Did you have to go?  
And leave my world so cold

Everyday I sit and ask myself  
How did love slip away?  
Something whispers in my ear and says

That you are not alone  
I am here with you  
Though you're far away  
I am here to stay  
But you are not alone  
I am here with you  
Though we're far apart  
You're always in my heart  
But you are not alone

'Lone, 'lone  
Why, 'lone

Just the other night  
I thought I heard you cry  
Asking me to come  
And hold you in my arms  
I can hear your prayers  
Your burdens I will bear  
But first I need your hand  
Then forever can begin

Everyday I sit and ask myself  
How did love slip away?  
Something whispers in my ear and says

That you are not alone  
I am here with you  
Though you're far away  
I am here to stay  
But you are not alone  
I am here with you  
Though we're far apart  
You're always in my heart  
But you are not alone

Whisper three words and I'll come running  
And girl you know that I'll be there  
I'll be there

That you are not alone  
I am here with you  
Though you're far away  
I am here to stay  
But you are not alone  
I am here with you  
Though we're far apart  
You're always in my heart

For you are not alone (You are not alone)  
For I am here with you (I am here with you)  
Though you're far away (Though you're far away)  
I am here to stay (You and me)  
For you are not alone (You're always in my heart)  
For I am here with you  
Though we're far apart  
You're always in my heart

For you are not alone  
Not alone, oh  
You are not alone  
You are not alone  
Say it again  
You are not alone  
You are not alone  
Not alone, not alone

If you just reach out for me girl  
In the morning, in the evening  
Not alone, not alone  
You and me  
Not alone  
Oh, together, together

Gotta stop being alone  
Gotta stop being alone

# Open Arms – Journey

Lying beside you  
Here in the dark  
Feeling your heartbeat with mine  
Softly you whisper  
You're so sincere  
How could our love be so blind?

We sailed on together  
We drifted apart  
And here you are  
By my side

So now I come to you  
With open arms  
Nothing to hide  
Believe what I say

So here I am  
With open arms  
Hoping you'll see  
What your love means to me  
Open arms

Living without you  
Living alone  
This empty house seems so cold  
Wanting to hold you  
Wanting you near  
How much I want to bring you home

But now that you've come back  
Turned night into day  
I need you to stay

So now I come to you  
With open arms  
Nothing to hide  
Believe what I say

So here I am  
With open arms  
Hoping you'll see  
What your love means to me  
Open arms

Patience – Guns N' Roses

Shed a tear 'cause I'm missing you  
But I'm still alright to smile  
Girl, I think about you every day now  
There was a time when I wasn't sure  
But you hold my mind at ease  
There is no doubt you're in my heart now

Said, woman, take it slow  
And we'll come together fine  
'Cause all we need is just a little patience  
Said, woman, take your time  
And we'll work it out just fine  
You know that we could use a little patience

(Patience)  
(Patience)  
(Patience)

x

I sit here on the stairs 'cause I'd rather be alone  
If I can't have you right now, I'll wait, dear  
Sometimes I get so tense  
But I can't speed up the time  
But you know, baby, there's one more thing to consider

Said, you gotta take it slow  
It'll come together fine  
It's all we need, it's just a little patience  
Said, woman, take the time  
Because the lights, they shine so bright  
You know that we've got what it takes to make it

We won't fake it  
Mm, we won't break it  
'Cause I couldn't take it

(Whoa)  
(Yeah)  
(Whoa, woo)

Ooh, yeah-yeah  
Yeah, just a little patience  
Yeah, just a little patience  
Yeah, a little patience  
Yeah, a little patience

Oh, I've been walking the streets at night (yeah)  
Just trying to get it right (just a little patience)  
It's hard to see with so many around (yeah)  
You know, I don't like being stuck in the crowd (just a little patience)  
And the streets don't change but, baby, the names (yeah)  
I ain't got time for the game 'cause I need you (just a little patience)  
Yeah, but I need you (yeah)

I need you (just a little patience)  
Oh, I need you (is all you need)  
Oh, this time, yeah  
Whoa, yeah

(Aww!)  
(Thanks)

Right Here Waiting – Richard Marx

Ocean's apart day after day  
And I slowly go insane  
I hear your voice on the line  
But it doesn't stop the pain

If I see you next to never  
How can we say forever?

Wherever you go, whatever you do  
I will be right here waiting for you  
Whatever it takes or how my heart breaks  
I will be right here waiting for you

I took for granted, all the times  
That I thought would last somehow  
I hear the laughter, I taste the tears  
But I can't get near you now

Oh, can't you see it, baby  
You've got me going crazy?

Wherever you go, whatever you do  
I will be right here waiting for you  
Whatever it takes or how my heart breaks  
I will be right here waiting for you

I wonder how we can survive this romance  
But in the end, if I'm with you  
I'll take the chance

Oh, can't you see it, baby?  
You've got me going crazy

Wherever you go, whatever you do  
I will be right here waiting for you  
Whatever it takes or how my heart breaks  
I will be right here waiting for you  
For you

Ordinary People – John Legend

Oh, oh  
Oh, oh, oh

Girl, I'm in love with you  
This ain't the honeymoon  
We're passed the infatuation phase  
We're right in the thick of love  
At times we get sick of love  
It seems like we argue every day

I know I misbehaved  
And you've made your mistakes  
And we both still got room left to grow  
And though love sometimes hurts  
I still put you first  
And we'll make this thing work  
But I think we should take it slow

We're just ordinary people  
We don't know which way to go  
'Cause we're ordinary people  
Maybe we should take it slow  
Take it slow, oh-oh  
This time we'll take it slow  
Take it slow, oh-oh  
This time we'll take it slow

This ain't a movie no  
No fairy tale conclusion y'all  
It gets more confusing everyday, oh  
Sometimes it's heaven sent  
Then we head back to hell again  
We kiss, then we make up on the way

I hang up, you call  
We rise and we fall  
And we feel like just walking away  
As our love advances  
We take second chances  
Though it's not a fantasy  
I still want you to stay

We're just ordinary people  
We don't know which way to go  
'Cause we're ordinary people  
Maybe we should take it slow  
Take it slow, oh-oh  
This time we'll take it slow  
Take it slow, oh-oh  
This time we'll take it slow  
Take it slow

Maybe we'll live and learn  
Maybe we'll crash and burn  
Maybe you'll stay  
Maybe you'll leave  
Maybe you'll return

Maybe another fight  
Maybe we won't survive  
But maybe we'll grow  
We never know, baby you and I

We're just ordinary people  
We don't know which way to go, yeah, hey  
'Cause we're ordinary people  
Maybe we should take it slow

We're just ordinary people  
We don't know which way to go  
'Cause we're ordinary people  
Maybe we should take it slow

Take it slow, oh-oh  
This time we'll take it slow  
Take it slow, oh-oh  
This time we'll take it slow  
Take it slow, slow  
This time we'll take it slow  
Take it slow, oh  
This time we'll take it slow

Need You Now – Lady A

Picture-perfect memories  
Scattered all around the floor  
Reaching for the phone  
'Cause I can't fight it anymore

And I wonder if I ever cross your mind  
For me, it happens all the time

It's a quarter after one, I'm all alone  
And I need you now  
Said I wouldn't call, but I've lost all control  
And I need you now  
And I don't know how I can do without  
I just need you now

Another shot of whiskey  
Can't stop lookin' at the door  
Wishing you'd come sweepin'  
In the way you did before

And I wonder if I ever cross your mind  
For me, it happens all the time

It's a quarter after one, I'm a little drunk  
And I need you now  
Said I wouldn't call, but I've lost all control  
And I need you now  
And I don't know how I can do without  
I just need you now

Whoa, whoa

Guess I'd rather hurt than feel nothin' at all

It's a quarter after one, I'm all alone  
And I need you now  
And I said I wouldn't call, but I'm a little drunk  
And I need you now  
And I don't know how I can do without  
I just need you now  
I just need you now

Oh, baby, I need you now
